

The Taste of Hinckley & Bosworth Autumn Trail

The colours of autumn are unrivalled. Alongside the spectacular display of leaves, the fruits of the forest include edible fungi, nuts and fruits such as apples and late season soft fruits, such as plums, gages and blackberries. Now is the time for cooks to preserve the last of the harvest and enjoy the spectacular autumn sunsets before winter comes.

This trail includes Burbage, Barwell, Earl Shilton, Kirkby Mallory and Peckleton and runs along the east of the borough of Hinckley & Bosworth. It covers approximately 11 miles. To help you plan your route, you can view the distance between locations. You may wish to follow the suggested route or visit places at your leisure.

"No spring, nor summer beauty hath such grace,
As I have seen in one autumn face"
John Donne Elegies 'The Autumnal' (1600)

National Apple Day
Apple Day is an annual celebration of apples, orchards and local distinctiveness and is celebrated each year by people organising the 'longest peel' competition and other local events. Apple Day is on the 21st October and was initiated by Common Ground (established in 1990) who are internationally recognised for linking nature with culture, focusing on the positive investment people can make in their own localities.
Visit their website at www.commonground.org
